Re: Docket No. 15-035-64 RMP 2015 NET METERING REPORT FOR UTAH. In the Matter of Rocky Mountain Power's Customer Owned Generation and Net Metering Report and Attachment A for the Period April 1, 2014 through March 31, 2015.

On July 1, 2015, Rocky Mountain Power ("Company") filed with the Commission its 2015 Net Metering Report for Utah. On July 2, 2015, the Commission issued an Action Request to the Division requesting a review for compliance of the filing and to make recommendations. The Commission asked the Division to report back by July 31, 2015.

Upon review of the filing, the Division determined that additional information would be required from the Company. Therefore, the Division is hereby requesting that the Commission extend the due date of the Division's response to the Action Request to August 21, 2015. This will allow the Division adequate time to make the proper review and recommendations.
