Re: In the Matter of Rocky Mountain Power's Customer Owned Generation and Net Metering Report and Attachment A for the Period April 1, 2014 through March 31, 2015 – Docket No. 15-035-64

Dear Mr. Lively,

The Commission reviewed the updated Appendix A to the Rocky Mountain Power Customer Owned Generation and Net Metering Report filed on January 26, 2016, pursuant to the September 24, 2015, Order (September Order) in Docket No. 15-035-64. The Commission also reviewed the Division of Public Utilities' (Division) February 25, 2016, action request response.

The Division affirms the updated Appendix A was provided to Office of Consumers Services in a data request, concludes the filing of a updated Appendix A satisfies the requirements of the Commission's September Order, and recommends the Commission acknowledge Appendix A as filed.

Based on the Commission's review and the Division's recommendation, the Commission acknowledges the filing of the updated Appendix A satisfies the requirements of the September Order.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
