Re: Docket No. 15-035-69 – In the Matter of a Request for Agency Action to Review the Carrying Charges Applied to Various Rocky Mountain Power Account Balances

Dear Mr. Parker:

On February 11, 2016, pursuant to Commission Order dated January 20, 2016 in the above docket (Order), the Division of Public Utilities (Division) filed a memorandum proposing a process for implementing PacifiCorp's annual carrying charge interest rate update.

The Commission appreciates the Division's prompt response to the Order and its efforts to collaboratively develop a proposal for updating PacifiCorp's carrying charge interest rate. Based on our review, the Commission acknowledges the Division's memorandum as complying with the Order and finds the proposal is reasonable. Therefore, the Commission approves the proposal for implementation as of January 2017.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
