RE: Docket No. 15-035-72, "In the Matter of Rocky Mountain Power's Service Quality Review Report"

Dear Mr. Lively:

The Public Service Commission of Utah (Commission) has reviewed Rocky Mountain Power's January 1 through June 30, 2015, Service Quality Review Report (Report) filed on September 18, 2015, and the associated December 4, 2015 comments from the Division of Public Utilities (Division).

The Division recommends the Commission acknowledge the Report. The Division concludes the Report complies with the requirements of Utah Administrative Code R746-313, the Commission's June 11, 2009 Order in Docket No. 08-035-55, and the Utah Service Quality Review Group Report filed with the Commission on September 13, 2006. In addition, the Division commends Rocky Mountain Power on its cooperative work on service quality and for developing a meaningful report.

The Commission acknowledges the Report as satisfying the relevant reporting requirements.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
