**ELECTRIC SERVICE SCHEDULE NO. 11 – Continued**

**SURCHARGE ADJUSTMENT:** All monthly bills shall be adjusted in accordance with Schedule 80.

**DEFINITIONS**

**Functional Lighting:** Horizontally-mounted luminaires that may be mounted either on wood, fiberglass or non-decorative metal poles.

**Decorative Lighting:** The Company will maintain a listing of standard decorative street light fixtures that are available under this Electric Service Schedule. Available decorative lighting fixtures are grouped into different Decorative Series 1 and Decorative Series 2 according to cost.

**PROVISIONS**

1. Installation, daily operation, repair and maintenance of lights on this rate schedule to be performed by the Company, providing that the facilities furnished remain readily accessible for maintenance purposes.
2. Company will install only Company approved street lighting equipment at locations acceptable to Company.
3. Inoperable lights will be repaired as soon as reasonably possible, during regular business hours or as allowed by Company's operating schedule and requirements, provided the Company receives notification of inoperable lights from Consumer or a member of the public by either notifying Rocky Mountain Power's customer service (1-888-221-7070) or [www.rockymountainpower.net/streetlights](http://www.rockymountainpower.net/streetlights). Rocky Mountain Power's obligation to repair street lights is limited to this tariff.
4. Existing fixtures and facilities that are deemed irreparable will be replaced with comparable fixtures and facilities from the Company's Construction Standards.
5. The Company will, upon written request of Consumer, convert existing street lighting facilities to other types of Company approved street lighting facilities. In such event, should the revenue increase, the streetlighting extension allowance defined in Rule 12, section 3.e is applicable only to the increase in annual revenue due to the replacement. If there is no increase in revenue, there is no allowance. The Consumer shall advance the estimated cost of all materials and labor associated with installation and removal, less the estimated salvage on the removed facilities, in excess of the applicable allowance.
