Re: 15-035-T10 – Rocky Mountain Power’s Tariff Compliance Filing – In the Matter of Rocky Mountain Power’s Filing to Comply with the Commission’s Order Issued on June 9, 2015, in Docket No. 14-035-140, In the Matter of the Review of Electric Service Schedule No, 38, Qualifying Facilities Procedures, and Other Related Procedural Issues.

Issue and Discussion

Pursuant to the Public Service Commission’s (“Commission”) Order in Docket No. 14-035-140, dated June 9, 2015, On July 9, Rocky Mountain Power (“Company”) filed with the Commission a revised Schedule 38. On the same date, the Commission issued an Action Request to the Division of Public Utilities (“Division”) requesting the Division to investigate and review the Company’s filing for compliance. This memorandum represents the Division’s response to the Commission’s Action Request.

The Division reviewed the Company’s filing in light of the Commission Order in Docket No. 14-035-140, dated June 9, 2015 and determined that the Company included all of the language changes contained in the Commission Order. Therefore, the Division concludes that the Company complied with the above Commission Order and recommends approval.
