Re: Advice No. 15-13 in Docket No. 15-035-T14
In the Matter of Rocky Mountain Power's Proposed Revisions to Rule 6 - Company's
Installation

Dear Mr. Lively,

On July 30, 2015, PacifiCorp, dba Rocky Mountain Power, filed Advice No. 15-13 in Docket No. 15-035-T14, proposing changes to Sheet No. 6R.1 of Electric Service Regulation No. 6 – Company's Installation. The proposed revision to Sheet No. 6R.1 adds language identifying the secondary service voltages available to customers.

On August 14, 2015, the Division of Public Utilities (Division) filed a memorandum recommending the Public Service Commission (Commission) approve the proposed revision to Sheet No. 6R.1 as filed.

Based on our review and the Division's recommendation, the Commission approves the proposed revision to Sheet No. 6R.1 of Electric Service Regulation No. 6, as filed on July 30, 2015, with an effective date of September 1, 2015.

Sincerely,

/s/ Gary L. Widerburg
