Re: Extension of Time to File Response in Docket 15-2508-T01

To Whom it May Concern:

On March 20, 2015, the Ticaboo Utility Improvement District filed revisions to its tariff sheets and rate schedules. On March 24, 2015, the Commission issued an Action Request to investigate and provide an analysis of the tariff filing and the Division of Public Utilities issued a response on April 13, 2015. The Commission, in a letter dated April 24, 2015 from Commission Secretary Gary Widerburg, requested that the District respond to the Division's comments within 15 days.

In order to fully respond to the Division's comments, the District is hereby requesting a three-day extension, making District's response due on May 14, 2015.

Sincerely,
SMITH HARTVIGSEN, PLLC
