Re: *In the Matter of Empire Electric Association, Inc.'s Tariff Revisions*  
Docket No. 16-025-T01

Dear Mr. Dellinger:

The PSC reviewed the November 25, 2016 filing by Empire Electric Association, Inc. (Empire) notifying the PSC of changes to its tariff and the December 6, 2016 action request response filed by the Division of Public Utilities (Division). The Division represents that Empire notified its members of the proposed tariff changes in November 2016 and held a meeting of its Board of Directors (Board) on November 11, 2016, at which the Board approved the proposed tariff changes. The Division recommends the PSC acknowledge the changes to Empire's tariff.

Based on the PSC's review of the filing and the Division's analysis from which the PSC infers the requirements of Utah Code Ann. § 54-7-12(7) have been satisfied, the tariff changes are available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
