Dear Utah Public Service Commission:

In March, 2016, Mt. Wheeler Power Inc. created a new rate entitled Large General Service Industrial Transmission (LGS-IT) and revised rate code Large General Service Industrial (LGS I). We have included a redline version for easier notation of the changes. We would like to submit these rates for your approval.

Enclosed is an original copy along with 5 extra copies of each new proposed rate. If you have any questions, please give me a call.

Sincerely,

Randy Ewell
General Manager/CEO
