Re: *In the Matter of Mt. Wheeler Power, Inc.'s Tariff Revisions*, Docket No. 16-031-T03
(proposed changes to Rule 9 Line Extensions and Rule 24 Service Fees)

Dear Mr. Ewell:

The Commission reviewed the August 15, 2016 filing by Mt. Wheeler Power, Inc. (Mt. Wheeler) and the August 30, 2016 action request response filed by the Division of Public Utilities (Division). Because this filing involves a rate increase of an electrical cooperative, it is governed by Utah Code Ann. § 54-7-12(7). Mt. Wheeler represents it met on August 9, 2016 to discuss these changes and, according to the Division, Mt. Wheeler notified its members on or around July 1, 2016. We infer from the Division's response and ultimate recommendation, along with Mt. Wheeler's representation, that Mt. Wheeler has satisfied all the requirements in Utah Code Ann. § 54-7-12(7).

Based on the Commission's review of the filing and the Division's comments, the Commission acknowledges the filing as complying with Utah Code Ann. § 54-7-12(7). Accordingly, it is available for public inspection at the Commission.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
