Re: Rate Adjustments

To Whom It May Concern,

On September 13, 2016 Mt. Wheeler Power Inc. will be meeting to consider adopting a new rate Rate Code OLS-LED to phase out Rate Code OLS when lighting failure occurs or new service is requested. We would like to submit this proposed rate for your consideration and approval;

Rate Code OLS-LED

We would like to implement the new rate beginning October 1, 2016. We have included a copy of the rate. We will send a signed copy of the rate upon final board approval. Please let me know if you have any questions.

Sincerely,

Randy Ewell
General Manager/CEO
