RE: In the Matter of Rocky Mountain Power's Procurement Policy and Procedures
Updates: Docket No. 16-035-03.

RECOMMENDATION (No Hearing Required)

The Division of Public Utilities (Division) recommends that the Commission cancel the Hearing scheduled for June 14, 2016 in the matter for Rocky Mountain Power's updates to the Procurement Policy and Procedures.

ISSUE

On May 4, 2016, the Commission requested feedback on whether the Hearing is still necessary. Reply comments for the Division of Public Utilities, and any other interested parties are due by May 27, 2016. This memorandum serves as the Division's comments and recommendations in this matter.

ANALYSIS

The Division and the Office of Consumer Services both recommended approval for the update to the Procurement Policy and Procedures. Therefore, the Division believes that the scheduled hearing for this docket is unneeded.

CONCLUSION

Due to unanimous approval between parties, the Division believes that the scheduled hearing is not necessary and should be removed.
