Dear Name,

There is so much to celebrate because of customers like you.

Last year Blue Sky became one of the first green power programs in the nation to surpass 100,000 participants. As we move into 2015, we also mark our 15th anniversary, making us one of the most long-standing green power programs as well. This staggering support of renewable energy is making a difference for our environment, our communities and the industry. Thank you!

**Celebrating you**

 Find an infographic on the back of this letter and a dedicated page on our website recognizing the difference Blue Sky support has made for the last 15 years! Take pride in the magnitude of renewable energy supported, the facilities that have provided that renewable energy in the west, community-based renewable energy projects and a new utility-scale solar installation that you're helping to become a reality in Utah and more. Visit [rockymountainpower.net/15years100Kstrong](http://rockymountainpower.net/15years100Kstrong) to celebrate all that has already happened because of customers like you.

 Share Blue Sky with friends, family and neighbors. Enjoy the enclosed window cling and visit [rockymountainpower.net/15years100Kstrong](http://rockymountainpower.net/15years100Kstrong) to request free yard signs, join our next renewable energy project tour and get images and sample posts for sharing online. Let's continue to make a huge difference together.

**Blue Sky Rewards on the go**

 Another benefit of participation is exclusive access to coupons from Blue Sky business partners through mobile coupons hosted by *Chinook Book*. New coupons are available for 2015 across the Rocky Mountain Power service area in Idaho, Wyoming and Utah – download the *Chinook Book* mobile app for free on your Android or iPhone and enter your code below to unlock offers available just for you: **20003-4796-5564-2468**

 No smartphone? No problem! Visit [rockymountainpower.net/15years100Kstrong](http://rockymountainpower.net/15years100Kstrong) to find out other ways to get access to these special deals.

Thank you again for being part of this success story – we could not have done it without you!

Sincerely,

 Blaine Andreasen  
 Vice President, Customer Services

 P.S. Get this letter in your email inbox next year when you sign up for paperless billing. Find more info here: [rockymountainpower.net/15years100Kstrong](http://rockymountainpower.net/15years100Kstrong).

**Your 2014 difference**

You're enrolled in Blue Sky Block for [X] block(s) each month.\*

You supported: [xx,xxx] kilowatt-hours

**That's equivalent to:** [xxx,xxx] pounds of CO<sub>2</sub>

**Which is comparable to:** [xxx,xxx] miles not driven

**or** [xxx,xxx] trees planted

\*The average Rocky Mountain Power customer would need to purchase 8 blocks to cover their monthly electricity use.

\*The environmental benefit figures in this letter are based on data and calculations provided by the U.S. Environmental Protection Agency.

 One Blue Sky block only costs \$1.95 and supports 100 kilowatt-hours of 100 percent western region wind energy. Each block represents about 13% of the average Rocky Mountain Power residential customer's monthly energy use. Participating in the program may also help fund new development of smaller-scale renewable energy projects that can support other certified resources such as solar, geothermal, low-impact hydro, wave or tidal action or low-emissions biomass. Visit [rockymountainpower.net/blueskyresources](http://rockymountainpower.net/blueskyresources) for specific product information.
