Pursuant to Tariff Electric Service Schedule 34.

Recommendation (No Action Required)

The Division of Public Utilities (DPU or Division) recommends the Public Service Commission (PSC or Commission) take no action related to Rocky Mountain Power's *Fourth Courtesy Notice of Resource Procurement* (Notice).

Issue

On March 6, 2023, Rocky Mountain Power (Company) filed a Fourth Courtesy Notice of Resource Procurement with the Commission indicating it had acquired a resource on behalf of Facebook, Inc. pursuant to the contract filed in this docket. On March 6, 2023, the Commission issued an Action Request to the Division requesting that the Division review this notice and make recommendations with a response date of April 5, 2023. This memorandum represents the Division's response to the Action Request.

Background

In previous proceedings before the Commission in this docket, the Company had agreed to file certain information with the Commission pursuant to an agreement with the Office of Consumer Services (OCS), which became part of the Commission's Order approving the Facebook contract. While the resource acquisition cited in the Notice does not require a Commission filing under the Commission's Order, the Company filed the Notice of the acquisition with the Commission as a courtesy.

Conclusion

The Division has reviewed the filing and concludes that it is simply a courtesy filing. Therefore, no further action is required by the Commission regarding this filing.
