Commission Secretary

Re: Major Event Report for May 19-20, 2016

Rocky Mountain Power is requesting major event exclusion for the weather-related events on May 19 - 20, 2016, which exceeded the Commission approved threshold for customer minutes lost in a 24-hour period.

Attached you will find details including costs incurred, restoration resources, number of customers off supply, customer minutes lost, and SAIDI, SAIFI, CAIDI figures.

Upon Commission approval, the company will exclude outage information for these events from its network performance reporting and from customer guarantee failure payments.

Informal inquiries may be made to Bob Lively at (801) 220-4052 or Heide Caswell, Director Engineering, at (503) 813-6216.

Sincerely,

Jeffrey K. Larsen  
Vice President, Regulation
