Re: **Withdrawal of Notice Pursuant to *Utah Code Ann. § 54-17-502(6)(b)***

Dear Commissioners:

This letter is to notify you that Rocky Mountain Power hereby withdraws the notice filed August 9, 2016, pursuant to Utah Code Ann. § 54-17-502(6)(b). Rocky Mountain Power advises that it is no longer required to acquire a 2MW solar project under Oregon law because recently passed legislation in Oregon, Senate Bill 1547, terminated the solar capacity standard obligation. While the Company does not anticipate it will acquire any renewable resources at this time, the Company may acquire renewable resources in 2017 if the right opportunity arises.

Please feel free to direct any inquiries regarding this matter to Bob Lively, at 801.220.4052, or, myself at the number indicated above.

Sincerely,

A handwritten signature in blue ink that reads "Yvonne R. Hogle".
