

16-035-36 – STEP Program Technical Conference I

October 3, 2016

Commission Questions

1. Schedule No. 107, proposed revised Sheet 107.4, Tables 1 and 2: Please explain why the line for Program Year 2017 is deleted in Table 1, Program Incentive Levels, but not in Table 2, Available Capacity.
2. Schedule No. 195, proposed revised Sheet 195.2, Monthly Bill: Please verify whether the Schedule 195 adjustment percent will be applied to the \$2 minimum charge (i.e., the difference between the minimum bill of \$8 and the customer charge of \$6). Is this treatment consistent with the treatment of the \$2-charge in Schedule 193 (DSM)?
3. Application, Page 8, Paragraph 12 states the USIP program terminates for “. . . new participants as of December 31, 2016.” In addition, proposed revised Tariff Sheet No. 107.1, states that the USIP applies to: “All customers that have accepted an incentive under the Solar Incentive Program as of December 31, 2016.” Please explain how non-residential USIP applications will be treated for the remainder of calendar year 2016.
