Hello,

Kindly receive my apologies for the late submission of Utah Clean Energy's reply comments related to Docket 16-035-36. I distributed comments to the parties on the Certificate of Service on Thursday 1/17 but erroneously omitted the Public Service Commission address from my email.

Should the Commission choose to accept my comments, I would be happy to provide a summary or answer questions at the hearing scheduled for January 22.

With sincere apologies,

Kate Bowman
