RE: Docket No. 16-035-36

In the Matter of the Application of Rocky Mountain Power to Implement Programs Authorized by the Sustainable Transportation and Energy Plan Act
Correction to RMP April 23, 2021 Reply Comments

In Rocky Mountain Power's ("the Company") Reply Comments in the above referenced matter filed on April 23, 2021, the Company inadvertently misstated the Office of Consumer Service's position, incorrectly stating on page 3 that the Office argues that the Application should be considered under Utah Code 54-20-107, and not 54-20-105. Instead, the sentence on page 3 should read: "OCS argues that the Application should only be considered under Utah Code 54-20-105, and not 54-20-107, because the Company has not proven that the program is cost effective." The Company regrets the mistake and apologizes for any inconvenience caused by the error.

Sincerely,

Joelle Steward
Vice President, Regulation
