RE: Advice No. 16-02
In the Matter of Rocky Mountain Power's Request to Cancel Electric Service Schedule
No. 117, Residential Refrigerator Recycling Program – Docket No. 16-035-T02

On February 5, 2016, the Company filed Advice No. 16-02 in the above referenced docket requesting to cancel Electric Service Schedule No. 117, Residential Refrigerator Recycling Program. In Advice No. 16-02, the Company inserted Table 6 from Exhibit B – Cost-Effective Analysis. However, the last page of Exhibit B, which contained Tables 6 and 7, was inadvertently omitted from the Company's February 5, 2016 filing. Accordingly, attached hereto is a Supplemental Exhibit B that includes omitted Tables 6 and 7.

Informal inquiries regarding this matter may be directed to Michael Snow, DSM Regulatory Manager, at (801) 220-4214.

Sincerely,

Bill Comeau
Director, Demand-side Management
