RE: Revised Tariff Sheets

In the Matter of Rocky Mountain Power's Proposed Revisions to Electric Service Schedule No. 114, Air Conditioner Direct Load Control Program (A/C-DLC) -- (Cool Keeper Program) -- Docket No. 16-035-T10

On July 28, 2016, Rocky Mountain Power (the "Company") filed a Request for Revised Effective Date and Extended Comment Period ("Request"), which was granted by the Commission in its Notice issued August 4, 2016. Pursuant to the Company's Request and the Division of Public Utilities' and Office of Consumer Services' comments filed September 26 and 30, 2016, respectively, the Company hereby submits for filing revised tariff sheets reflecting an updated effective date of December 1, 2016. No other changes have been made.

Sincerely,

Michael S. Snow
Manager, DSM Regulatory Affairs
