Re: In the Matter of Rocky Mountain Power's Proposed Revisions to Tariff Index Sheet No. B,
Docket No. 16-035-T12, Advice No. 16-11

Dear Mr. Lively,

The Commission reviewed the September 28, 2016 filing by PacifiCorp, dba Rocky Mountain Power, of proposed revisions to Index Sheet No. B (Index Sheet B) of its P.S.C.U. Tariff No. 50 (Tariff). The proposed revisions to Tariff Index Sheet B include the addition of Schedule No. 34 recently approved by the Commission on August 17, 2016, in Docket No. 16-035-T09 and minor administrative changes. PacifiCorp requests an effective date of August 31, 2016 for the proposed changes. The Commission also reviewed the October 12, 2016 action request response filed by the Division of Public Utilities (Division).

According to the Division, the proposed revisions to Tariff Index Sheet B simply update the Index to reflect the Commission's approval of Schedule No. 34. The Division concludes Tariff Sheet No. 34 is appropriately included in the Tariff Index Sheet B and recommends the Commission approve the proposed modifications effective August 31, 2016.

Based on the Commission's review of PacifiCorp's filing and the recommendation of the Division, the Commission approves the modifications to Tariff Index Sheet B effective August 31, 2016 with one correction: that the "Issued by authority" line of the Tariff Index Sheet No. B is revised to reflect the Commission's approval in Advice No. 16-11 (*i.e.*, the instant filing) as opposed to Advice No. 15-15.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
