Re: Docket No. 16-066-T01 – In the Matter of the Revisions to Dixie Power’s Retail Electric Rates

Dear Mr. Laub:

On February 5, 2016, Dixie Power (Dixie) filed revised retail electric rates in the above docket. Dixie states in its filing that “[t]hese rates were approved by the Board of Directors and presented at member meetings on November 3rd . . . and November 4th, 2015 . . . with an effective date of February 1, 2016.”

On February 17, 2016, the Division filed a recommendation that the Commission acknowledge the changes to Dixie retail electric rates, effective February 1, 2016, while reminding Dixie of its obligation to notify the Commission at least 30 days prior to implementing new rates, as required by Utah Code Ann. § 54-3-3 and Utah Administrative Code R746-405-2(E)(2).

Based on the Division’s recommendations, we acknowledge Dixie’s filing effective February 1, 2016 and remind Dixie of its 30-day notification requirement in future filings.

Sincerely,

/s/ Gary L. Widerburg  
Commission Secretary
