Re: *Empire Electric Association, Inc.'s Tariff Revisions*, Docket No. 17-025-T02

Dear Mr. Dellinger:

The Public Service Commission (PSC) reviewed the November 13, 2017 filing by Empire Electric Association (Empire) and the November 22, 2017 action request response filed by the Division of Public Utilities (DPU).

The DPU represents Empire notified its affected members of a proposed tariff change in advance of a board meeting on November 10, 2017, at which Empire's Board of Directors approved the proposed tariff changes, effective January 1, 2018. The DPU notes copies of all rate tariffs are on file at Empire's headquarters and are available for inspection during regular business hours. The DPU recommends the PSC acknowledge the changes to Empire's tariff.

Based on the PSC's review of the filing and the DPU's analysis from which the PSC infers the requirements of Utah Code Ann. § 54-7-12(7) have been satisfied, the tariff change is available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
