Re: *In the Matter of Garkane Energy Cooperative, Inc.'s Proposed Tariff Revisions for Schedule SP-IMP – Special Impact Fee to Recover Upgrade Investment, Docket No. 17-028-T02*

Dear Mr. Lewis:

The Public Service Commission of Utah (PSC) reviewed the June 29, 2017 filing by Garkane Energy Cooperative, Inc. (Garkane) of a new Schedule SP-IMP – Special Impact Fee to Recover Upgrade Investment, effective July 31, 2017. The PSC also reviewed the July 6, 2017 action request response filed by the Division of Public Utilities (DPU). The DPU states Garkane notified its members of the new schedule prior to a June 26, 2017 public meeting, during which Garkane's Board of Directors approved the new schedule. The DPU recommends the PSC acknowledge Garkane's new Schedule SP-IMP.

Based on the PSC's review of the filing and the DPU's comments, the PSC acknowledges the filing as complying with Utah Code Ann. § 54-7-12(7). Accordingly, it is available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg  
Commission Secretary
