Re: **Docket No. 17-030-T01**, In the Matter of Moon Lake Electric Association, Inc.'s
Proposed Tariff Revisions.

Recommendation (Request for Extension)

On March 1, 2021, the Commission issued an Action Request to the Division of Public Utilities (Division) directing it to investigate Moon Lake Electric Association, Inc. (Moon Lake)'s filing. The current filing is in response to the Commission's order dated February 16, 2021 directing Moon Lake to provide information to the Commission no later than March 24, 2021.

The Division is currently evaluating the filing to determine if it complies with the Commission's directive and has determined that an additional 14 days may be needed to complete this investigation. The Division will file its Action Request Response as soon as practicable but no later than March 29, 2021. Therefore, the Division requests the Commission extend the due date to March 29, 2021.
