EBA Additional Filing Requirement 2

**EBA Additional Filing Requirement 2**

Please provide actual natural gas market prices and any natural gas contract executed.

**Response to EBA Additional Filing Requirement 2**

Please refer to EBA AFR Attachment 2 -1 RMP, which provides historical natural gas prices for calendar year 2016.

Please refer to the Company's response in EBA FR 6 RMP, subpart (b), which provides data on all physical natural gas and financial natural gas transactions relevant to the energy balancing account (EBA) Deferral Period.

The Company entered into two new long-term natural gas transportation transactions during the EBA Deferral Period. Please refer to Confidential EBA AFR Attachment 2 -2 RMP, which provides a copy of the contracts.

Confidential information is provided subject to Utah PSC Rule 746-100-16.
