

17-035-01 / Rocky Mountain Power
March 15, 2017
EBA Additional Filing Requirement 19

EBA Additional Filing Requirement 19

Please provide a PacifiCorp Securities and Exchange Commission (SEC) Form 10-K / Semi-Annual / Energy Balancing Account (EBA) Reconciliation: see “DPU Exhibit 1.9 SR” which is the Rocky Mountain Power (RMP) Excel attachment response to DPU 10.1, Docket 12-035-67. Given the timing of the March 15 EBA filings and the release of the Company’s SEC Form 10-K and Semi-Annual report, this reconciliation may need to be provided after the March 15 filing. As such, this reconciliation will be provided as soon as available.

Response to EBA Additional Filing Requirement 19

Due to the timing of this energy balancing account (EBA) filing, a reconciliation of actual net power costs (NPC) and the Company’s December 2016 Results of Operations (ROO) report and Securities and Exchange Commission (SEC) Form 10-K is not possible at this time. These reconciliations will be provided as the data becomes available.
