Subject: Docket 17-035-01, Errata Filing in the Matter of the Application of Rocky Mountain Power to Decrease the Deferred EBA Rate Through the Energy Balancing Account Mechanism

---

On April 13, 2017, the Office of Consumer Services (“Office”) filed Reply Comments (“Comments”) in Docket 17-035-01. These Comments were filed in the header as 09-035-15. The Public Service Commission of Utah (“Commission”) requested clarification as to which docket the Office’s Comments should be assigned. The purpose of this cover memo is to correct the docket number and clarify the docket to which the Comments belong.

The Comments should be filed under Docket 17-035-01, not Docket 09-035-15 since the Comments respond to Rocky Mountain Power’s (“Company”) Application and the Division of Public Utilities’ (“Division”) Initial Comments in Docket 17-035-01. Documents with the correct docket number and description accompany this cover memo. No other changes have been made to the documents.
