HEAL Utah hereby petitions the Public Service Commission of Utah for leave to intervene in the above-entitled pursuant to Utah Code Ann. §63G-4-207 and Utah Admin. R746-100-7.

The grounds for this petition are as follows:

HEAL has determined that meaningful reductions in pollution and greenhouse gas emissions will benefit all Utahns, visitors, and businesses through improved public health, additional economic opportunities, long term energy price stability, and electric grid stability.
