**BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH**

In the Matter of the Application of Rocky Mountain Power for Approval of its Amendment to Agreement for Electric Service to Additional Customers with City of Blanding, Utah	DOCKET NO. 17-035-18  <b>REQUEST FOR APPROVAL OF AMENDMENT TO ELECTRIC SERVICE AGREEMENT</b>
--	--

Pursuant to Utah Code Ann. § 63G-4-201, 203 and Utah Admin. Code R746-100-3, Rocky Mountain Power (“Company”) respectfully requests that the Public Service Commission of Utah (“Commission”) approve its Amendment to the Agreement for Electric Service to Additional Customers (“Agreement”) with City of Blanding, Utah (“City”) whereby the Company agrees to allow City to provide electric service to certain customers (“Additional Customer(s)”) outside its municipal boundary and located within Rocky Mountain Power’s certificated service territory. This Amendment amends the existing Agreement which was approved by the Commission in Docket No. 14-035-83. A copy of the Amendment is attached hereto as Attachment 1. In support of this petition, the Company states as follows:

1. Rocky Mountain Power is a public utility in the state of Utah and is authorized by a certificate of public convenience and necessity issued by the Commission to provide electric service to customers, inclusive of the Additional Customer(s), in areas outside the municipal

boundary of the City. Rocky Mountain Power's principal place of business in Utah is 1407 West North Temple, Suite 320, Salt Lake City, Utah 84116.

2. Certain Additional Customer(s), identified more particularly in Confidential Exhibit A to the Amendment, have requested service from City, which electric service is located outside the municipal boundaries of City. Exhibit B to the Amendment shows the relative location of the Additional Customer(s) to the nearest City distribution facilities and the nearest Rocky Mountain Power distribution facilities. The Additional Customer(s) are located nearer to City distribution facilities than to the nearest Rocky Mountain Power distribution facilities. The Additional Customer(s) are not currently receiving electric service at the requested location(s) from either the Company or City.

3. City is a municipal provider of retail electric service within the municipal boundaries of City. City desires to provide electric service to certain Additional Customer(s), identified more particularly in Confidential Exhibit A and Exhibit B to the Amendment, outside its municipal boundary. The municipal offices of City are located at 50 West 100 South, Blanding, Utah 84511.

4. The Legislature of the State of Utah passed Senate Bill 180 (the "Bill") during the 2013 General Session of the Legislature amending Utah Code Ann. § 10-8-14 regarding electric service by a municipal utility outside of its municipal boundaries. The Bill became law on May 13, 2013.

5. Pursuant to Utah Code Ann. § 10-8-14(5) the City has submitted a request to the Company to provide electric service to the Additional Customer(s), Rocky Mountain Power has agreed to allow City to provide electric service to the Additional Customer(s), and the Company

and City have entered into the Amendment for the provision of electric service to the Additional Customer(s), subject to the approval of the Public Service Commission.

6. The Parties have entered into the Amendment, subject to the Commission's approval, in compliance with Utah Code Ann. §§ 10-8-14 and 54-4-40 to provide terms and conditions for the Municipality to provide electric service to Additional Customer(s) in accordance with the terms and conditions of the Agreement.
