On April 11, 2017, the Commission issued an Action Request to the Division to investigate the Formal Complaint to the Company by Lewiston City Corporation. The Commission asked the Division to report back by May 11, 2017

The Division is still awaiting results of the Company's meeting or meetings with the City and its reply to the complaint. Therefore, the Division respectfully requests the Commission extend the due date of the Action Request to June 8th to allow more time for the Company to reply to the Complaint or otherwise inform the Division regarding where things stand with this matter.
