

- BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH -

In the Matter of the Formal Complaint of
Lewiston City Corporation against Rocky
Mountain Power

DOCKET NO. 17-035-21
ORDER ON REQUEST FOR
EXTENSION OF TIME

ISSUED: May 11, 2017

On April 10, 2017, the Lewiston City Corporation made the Public Service Commission of Utah (PSC) aware of a dispute between itself and Rocky Mountain Power.

On April 11, 2017, the PSC issued an action request to the Utah Division of Public Utilities (Division), instructing the Division to investigate the dispute and recommend an appropriate course of action. The PSC established May 11, 2017 as the Division's response deadline.

On May 10, 2017, the Division requested an extension of the response deadline. In support of its request, the Division explained that representatives of both the Lewiston City Corporation and Rocky Mountain Power have been meeting in an attempt to resolve the dispute. The Division also represented that Rocky Mountain Power has indicated an intent to file a response to the complaint. In these circumstances, the Division requests that its May 11, 2017 deadline be extended to allow for the anticipated answer to be filed and for the parties to complete their negotiations.

ORDER

Given the foregoing, and for good cause appearing, the PSC grants the Division's request for an extension of time and stays the May 11, 2017 action request deadline until further notice.
