

Appendix A-1. Overview of Appendices

This RFP is adapted from a previous RFP and contains appendices, exhibits, attachments, etc. that were originally developed for different contracting options, but are still applicable to the contracting options requested in this RFP. Some appendix and/or exhibit numbers are listed as “NOT USED” or “RESERVED”

RFP Appendices

The “RFP” designation is used to indicate appendices to the RFP that are one level below the main RFP document.

PPA Appendices

The “PPA” designation is used to indicate appendices to the PPA Appendix of the RFP that are one level below the PPA Appendix.

BTA Appendices

The “BTA” designation is used to indicate appendices to the BTA Appendix of the RFP that are one level below the BTA Appendix.
