Re: Docket 03-035-14 – Quarterly Compliance Filing – 2017.Q2 Avoided Cost Input Changes. Docket 17-035-37 – 2017.Q2 Avoided Cost Input Changes Quarterly Compliance Filing.

On October 2, 2017, Rocky Mountain Power (“Company”) filed with the Commission its 2nd Quarter Avoided Cost Changes. On October 2, 2017 the Commission asked the Division to provide comments by November 1, 2017. On October 4, 2017, the Commission issued a Supplemental Action Request modifying the Division’s response date to October 23, 2017.

The Division is requesting that the Commission extend the due date of the Division’s response to the supplemental action request to October 30, 2017. This will allow the Division adequate time to make the proper review and recommendations.
