

OCS Data Request 6.5

Please provide in table format the following information for each year, 2012 through 2017 year to date:

- (a) Total RECs PacifiCorp generated;
- (b) Total RECs from contracts where PacifiCorp obtains ownership of the RECs;
- (c) Total RECs generated and acquired (combination of (a) and (b));
- (d) Amount of RECs retained for renewable portfolio standards compliance requirements;
- (e) Amount of RECs sold;
- (f) Amount of RECs remaining at year-end; and
- (g) Percentage of RECs generated and acquired that were sold during the year.

Response to OCS Data Request 6.5

For the Company's responses to subparts (a) through (e) and (g), please refer to Confidential Attachment OCS 6.5.

- (f) The Company tracks the amount of renewable energy credits (RECs) available for sale by vintage and it is updated monthly. In a certain year, older, current or future vintage RECs might be sold. Please refer to Confidential Attachment OCS 6.5 for marketable RECs available by vintage as of August 31, 2017.

Confidential information is provided subject to Public Service Commission of Utah (UPSC) Rule 746-1-602 and 746-1-603.
