Regarding: Docket No. 17-035-39. Errata to the April 2, 2018 Response Testimony of Donna Ramas.

On April 2, 2018, the Office of Consumer Services filed with the Public Service Commission the Response Testimony of Donna Ramas in Docket No. 17-035-39.

The Office files this errata to that testimony to correct one typographical error and to remove one sentence. These two adjustments are made on page 15 and do not include confidential information.

- 1) Line 322 reads in part: Section 54-17-4029(7)(a). The number 9 should be removed from the number sequence.
- 2) The complete sentence beginning at Line 323 with the words I recommend and continuing through line 326 concluding with the word ratepayers, should be deleted. In order not to disrupt the line numbering throughout the document, lines 323 through 325 should be blank with line 326 containing only the word "This".
