<p>In the Matter of the Application for Approval of a Significant Energy Resource Decision and voluntary Request for Approval of Resource Decision</p>	<p>Docket No. 17-035-40</p> <p>Request for Alternate Date for Scheduling Conference</p>
--	---

Pursuant to Utah Code Ann. § 54-10a-301 and Utah Admin. Code r. 746-1, the Office of Consumer Services (“Office”) hereby requests that a Scheduling Conference not be set sooner than July 12 in this docket. In its Application, Rocky Mountain Power (“the Company”) proposes a Scheduling Conference date of July 7, 2017. A Scheduling Conference held just four business days from the date of the filing of the Application does not provide the Office with sufficient time to retain expert consultants and have their schedules known to the Office at the time of the Conference to ensure the experts’ availability for specified dates. Thus, a Scheduling Conference held as proposed by the Company would not be efficacious. Accordingly, the Office requests that the Conference be scheduled no sooner than July 12, 2017.

DATED June 30, 2017.
