On May 24, Rocky Mountain Power (the Company) filed its annual New Wind and Transmission Report for Calendar Year 2022. The report includes spreadsheets that update the final project costs, PTC and Energy Benefits, and other costs. On May 25, 2022, the Public Service Commission (Commission) issued a Notice of Filing and Comment Period, with initial comments due June 26, 2023, and reply comments due July 11, 2023.

The Division has determined that it will require additional time to complete its analysis. Therefore, the Division is requesting the Commission extend the due date for comments until Tuesday, July 25, and extend the date for reply comments to Tuesday, August 8.
