ACTION REQUEST RESPONSE

To: Public Service Commission

From: Division of Public Utilities
Chris Parker, Director
Artie Power, Energy Section Manager
Justin Christensen, Utility Analyst

Date: September 21, 2017

Re: Docket No. 17-035-48, Rocky Mountain Power Notice Pursuant to *Utah Code Ann. § 54-17-502(6)(b)* (Possible acquisition of renewable resources).

RECOMMENDATION (No Action)

For reasons explained herein, the Division recommends that the Commission take no action in the above referenced docket.

ISSUE

In a letter dated August 31, 2017, PacifiCorp dba Rocky Mountain Power (Company) filed a “Notice Pursuant to *Utah Code Ann. § 54-17-502(6)(b)*” in regards to renewable resource projects. The Commission issued an Action Request to the Division requesting that the Division “review the notice and make recommendations.” This memorandum is the Division’s response to the Commission’s Action Request.

DISCUSSION

In the above referenced correspondence, the Company indicates that other than projects tied to Dockets 17-035-039 and 17-035-040; the Company does not anticipate acquiring any renewable resources at this time. It may acquire renewable resources in 2018 providing the right

opportunity arises. The Division acknowledges the filing is according to requirements and recommends that no Commission action is required at this time.
