Attorney for Rocky Mountain Power

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

<p>In the Matter of Rocky Mountain Power’s Petition for Declaratory Ruling re Kennecott Utah Copper LLC’s 2015 EBA Recovery Charges</p>	<p>Docket No. 17-035-54 UNOPPOSED MOTION TO EXTEND PROCEDURAL SCHEDULE</p>
---	---

Rocky Mountain Power, a division of PacifiCorp, (“Rocky Mountain Power” or “PacifiCorp”), under the Public Service Commission Administrative Procedures Act Rules, R746-1-301, hereby moves the Public Service Commission of Utah (“Commission”) for an extension of the deadlines established in the Commission’s Scheduling Order and Notice of Agreement to Extend Period for Resolution of Petition (“Scheduling Order”), issued October 19, 2017 in this Docket. Rocky Mountain Power is authorized to represent that the Utah Division of Public Utilities (“Division”) and the Office of Consumer Services (“Office,” and collectively with PacifiCorp and the Division, the “Parties”) do not oppose this Motion. In support of this Motion, Rocky Mountain Power states as follows:

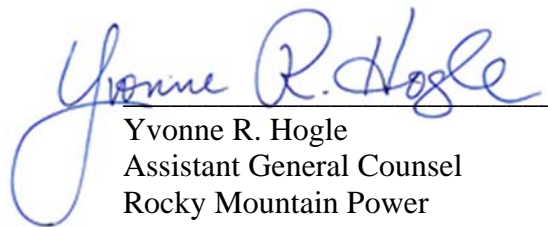

1. Since the Scheduling Order was issued on October 19, 2017, the Parties have met informally to discuss resolution of this proceeding. During those meetings, the Parties agreed that an extension of the deadlines in the Scheduling Order will allow the Parties to hold further discussions and possibly reach agreement on all issues in this Docket.

2. Accordingly, Rocky Mountain Power requests that the Commission delay the deadlines in the Scheduling Order as follows: initial dispositive motions from parties other than RMP, and/or interested non-parties – December 15, 2017; responses to initial dispositive motions – January 15, 2018; replies in support of dispositive motions – February 2, 2018.

WHEREFORE, Rocky Mountain Power requests the Commission grant an extension of the currently scheduled deadlines in the Scheduling Order as proposed above.

DATED this 15th day of November 2017.

Respectfully submitted,

Yvonne R. Hogle
Assistant General Counsel
Rocky Mountain Power
