3. On September 29, 2017, in Docket No. 14-035-114, *In the Matter of the Application of the Investigation of the Costs and Benefits of PacifiCorp's Net Metering Program*, the Commission approved the Settlement Stipulation entered into by the Settling Parties.

4. In Paragraphs 28-30 of the Settlement Stipulation, the Settling Parties agreed that the Company would file an application to initiate the Export Credit Proceeding for the Commission to determine the compensation rate for exported power from customer generation systems for all customers, including after the expiration of the Grandfathering Period and Transition Period. The Settling Parties agreed to support a procedural schedule that will allow the Commission to

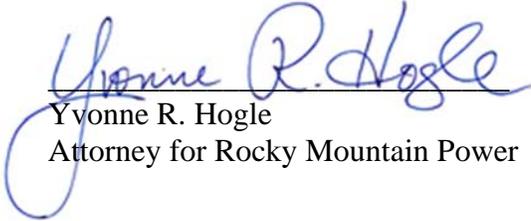

conclude the proceeding no later than three years after the filing of this Application. The Company also agreed to facilitate a workshop to discuss the type and scope of data expected to be considered in the proceeding.

5. On November 27, 2017, the Company sent a Doodle poll to the service list in Docket No. 14-035-114 to determine the date for the workshop to discuss the data expected to be considered in the proceeding. The Company expects to have a proposed date for the workshop prior to the scheduling conference in this proceeding.

WHEREFORE, Rocky Mountain Power respectfully requests that the Commission: (1) open a docket to determine the compensation rate for exported power from customer generation systems; and (2) set a date for a Scheduling Conference in this proceeding to establish a procedural schedule.

DATED this 1<sup>st</sup> day of December, 2017.

Respectfully submitted,

  
Yvonne R. Hogle  
Attorney for Rocky Mountain Power
