Attorney for Vivint Solar, Inc.

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of Rocky Mountain Power to Establish Export Credits for Customer Generated Electricity	<b>DOCKET NO. 17-035-61</b> <b>PETITION TO INTERVENE OF VIVINT SOLAR, INC. IN PHASE I AND PHASE II OF THIS DOCKET</b>
---	--

Pursuant to Utah Code Ann. § 63G-4-207 and Rule R746-1-107, Petitioner Vivint Solar, Inc. (“*Vivint Solar*” or “*Petitioner*”) hereby petitions for leave to intervene in Phase I and Phase II of Docket No. 17-035-61.

In support of this petition, Petitioner states as follows:

1. Vivint Solar is a Utah corporation with its headquarters at 1800 W. Ashton Boulevard, Lehi, Utah and provides rooftop solar services to customers throughout the state of Utah who generate solar power for their own personal use and export excess energy to Rocky Mountain Power’s (“*RMP*”) network for use by RMP and RMP customers.

2. Vivint Solar was an active party in Docket No. 14-035-114, In the Matter of the Investigation of the Costs and Benefits of PacifiCorp’s Net Metering Program, and in Docket No. 16-035-T14, In the Matter of PacifiCorp’s Revisions to Schedule 135, Net Metering Service and Proposal for New Schedule 135A, Net Metering – Transition Service. Phase I and Phase II of this docket, in which Vivint Solar now seeks to intervene, are the direct result and culmination of these previous two dockets.

3. Like the previous two dockets, Petitioner's legal rights and interests will be substantially affected by this proceeding. The export credit rate the Commission will set in this docket is crucial to the rooftop solar industry and to Petitioner's business and customers.

5. The relief Petitioner is seeking is to intervene to demonstrate the true value of rooftop solar to the state and to help establish the correct export credit rate for excess power generated by rooftop solar customers. Petitioner also seeks to intervene for purposes of protecting any other interests it may have in this docket as they may appear.

6. The interests of justice and the orderly and prompt conduct of this proceeding will not be materially impaired if Petitioner is allowed to intervene. Petitioner will meet the scheduling requirements established by the Commission in this docket.

7. This petition is timely. The deadline for intervention in Phase I is April 2, 2018 and the deadline for intervention in Phase II is October 31, 2018.

8. Notices and filings in this proceeding should be sent to the following:
