Re: **Information concerning ex parte communication, Docket No. 17-035-61**
Application of Rocky Mountain Power to Establish Export Credits for Customer
Generated Electricity.

Recommendation (No Action)

In response to a verbal question from a member of Public Service Commission (Commission) Staff, the Division of Public Utilities (Division) provided a publicly available brochure for certain electric meters. The information was provided without comment. This Division memorandum is intended to notify parties of the communication and its content. The Division will file it with all parties to the service list. The email provided from the Division to the Commission and a copy of the brochure provided are included as Exhibit A.
