**Re: Docket No. 17-035-61 Phase 2  
In the Matter of the Application of Rocky Mountain Power to Establish  
Export Credits**

Dear Commissioners:

This letter is to inform you that Rocky Mountain Power (“RMP”) intends to respond to Vote Solar’s Motion for Formal Discovery and Statement of Discovery Issues (the “Motion”) on May 7, 2019.

In Vote Solar’s Motion, Vote Solar states that RMP’s opposing motion is due by April 29, 2019. Vote Solar apparently arrived at this date using the seven-day response deadline provided in Utah Rule of Civil Procedure 37, rather than Utah Administrative Code R746-1-301 which would provide RMP 15 days from the service of the Motion to file a response.

In order to avoid an unnecessary dispute, Vote Solar has agreed that RMP may take 15 days to file its opposition to Vote Solar’s Motion. Accordingly, RMP hereby gives the Commission and all interested parties notice that RMP will respond to Vote Solar’s Motion by May 7, 2019.

Regards,
