BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

Application of Rocky Mountain Power to Establish Export Credits for Customer Generated Electricity	DOCKET NO. 17-035-61 DIVISION COMMENTS ON OPENING STATEMENTS AND WITNESS SUMMARIES
--	--

On August 14, 2020 Vote Solar requested that the Public Service Commission of Utah provide for opening statements and witness summaries in the upcoming hearing in this docket. Counsel for parties do not typically provide opening statements, however the Division is not opposed to doing so if it is useful for the Commission. In order to complete the hearing in a timely manner, the Division recommends that the Commission limit both opening statements and witness summary statements to no longer than 5 minutes each.

Submitted August 17, 2020.
