URGENT Motion to submit  
for jurisdiction decision  
Jury trial demanded

v

Downes v. Bidwell court  
demanded

Rocky Mt. Power Corp (ghost)

Respondent

---

Pursuant to Amendment 6, US Const., I ask this court to instantly determine jurisdiction on RMP ghost. My case cannot begin without determining jurisdiction. I need to know jurisdiction before I can serve RMP without committing treason or waiving any rights or having to appeal it.

No RMP employee, con artist or officer of this court would be willing to endufrom my over preponderance of evidence. The RF meter fails the constitution's constitutional test. Thus jurisdiction is vital for this court. The UtCtAppeals order is an exhibit on a 3rd district jurisdiction over SLC Corp ghost.

Respectfully submitted,
