Re: *Compliance Filing* - Investigation of Revenue Requirement Impacts of the New Federal Tax Legislation Titled: "An act to provide for reconciliation pursuant to titles II and V of the concurrent resolution of the budget for fiscal year 2018," Docket No. 17-035-69

Dear Ms. Saba:

The Public Service Commission of Utah (PSC) reviewed the May 4, 2018 Compliance Filing by PacifiCorp, doing business as Rocky Mountain Power (PacifiCorp), proposing changes to Sheet Nos. B.1, 80, and 197.1 of its P.S.C.U. No. 50 tariff (Tariff). The proposed changes update PacifiCorp's Tariff Index and Electric Service Schedule No. 80 to include Electric Service Schedule No. 197. PacifiCorp represents the proposed changes to Schedule 197 were made pursuant to the PSC's April 27, 2018 Order (Order) in this docket and reflect the applicable rates for May 1, 2018 through December 31, 2018 as well as applicable rates beginning January 1, 2019, absent any changes to the annual rate reduction. PacifiCorp states that the rates through the end of 2018 reflect the PSC's ordered rate reduction of \$61 million to be refunded over the remaining eight months of the year. PacifiCorp requests these changes take effect May 1, 2018.

The PSC also reviewed the comments of the Division of Public Utilities (DPU). The DPU concludes the filing and the proposed changes to the Tariff sheets comply with the Order. The DPU recommends the PSC approve PacifiCorp's proposed changes as filed.

Based on the PSC's review of the filing and the DPU's comments and recommendations, the proposed revisions to Tariff Sheet Nos. B.1, 80, and 197.1 of PacifiCorp's Tariff are approved as filed, effective May 1, 2018.

Tariff Approval Letter from the PSC
