Application of Rocky Mountain Power for Approval of Electric Service
Agreement between PacifiCorp and Nucor Corporation
Courtesy Notice of Intent to File New Contract for Approval

Dear Commissioners:

Rocky Mountain Power (the “Company”) hereby provides the Public Service Commission of Utah (“Commission”) with a status update concerning its electric service agreement (“ESA”) with Nucor Steel-Utah, a Division of Nucor Corporation (“Nucor”), which was approved by the Commission in the above-referenced docket on March 23, 2018. The existing ESA expires on December 31, 2021. Nucor and the Company have been actively negotiating a new contract but have not reached agreement on all terms. The Company and Nucor have agreed to leave the current contract terms in place until February 28, 2021. Before February 28, 2021, the Company intends to file either a new bilateral contract for approval or an application for the Commission to resolve outstanding issues relating to the parties’ negotiation.

Please feel free to direct any inquiries regarding this matter to Jana Saba, at (801)-220-2823, or to me at the number indicated above.

Sincerely,

Emily Wegener
